

Role Description: Mechanical Contracts Manager

Company Background

HBS Group Southern is a leading mechanical, electrical and renewable energy specialist, providing design, installation and maintenance services throughout the UK. From concept to commission, we focus on providing excellence, ensuring we make a positive difference to clients, partners and communities.

For over 65 years we have been supporting the new build housing industry, consistently delivering innovative building services to a diverse range of residential projects. This has seen HBS become the trusted partner of the UK's largest housebuilders, local authorities and major private and public sector organisations.

Opportunity

Due to continued growth and new long-term contracts secured, HBS Mechanical is now looking to expand their workforce and recruit an experienced and proven Mechanical Contracts Manager. You will lead and manage the delivery of multiple mechanical contracts across the division's new build housing operations.

The role

- Manage, plan and execute all site activities in conjunction with site teams & client requirements
- Maintain the delivery of quality mechanical services on multiple new build housing projects
- Ensure mechanical contracts are completed on time and within budget and to HBSGS standards
- Project control of budgets, specification and materials to match the client's programmes
- Maintain a professional working relationship with client's build directors, contracts managers and site management teams
- Plan, organise and monitor subcontract workforce
- Professional interaction with Estimation, Quantity Surveyor and Buyers on project delivery
- Material measurement and drawing take off

Requirements and skills

- You will need to have a mechanical background with a minimum 5 years proven experience managing high production new build housing projects
- NVQ 3 or City & Guilds equivalent in plumbing and heating installation
- Gas safe experience
- Strong time management skills & confident ability to manage multiple projects
- Professional focus on quality delivery
- Good negotiation and communication skills
- Positive management attitude and confident leadership skills
- Full driving licence

We offer

- Permanent full time position offering a competitive salary of up to £55k p.a. DOE
- Company vehicle, fuel card and mobile phone provided
- 28 days holiday (including Bank Holidays)
